

PERSONAL

Mgr. Jana Krčmářová, Ph.D.

jana.krcmarova@yahoo.com

EDUCATION

[Faculty of humanities, Charles University, Prague] **[Ph.D. degree in common anthropology]** [2008-2015]

[Dissertation *Forgetting traditional agricultural knowledge in modernization. Interdisciplinary historical reconstruction of Czech agroforestry*; Manipulation of the discourse and collective memory (re)production as a driving force influencing the land use and management changes during the modernization of agriculture]

[Faculty of humanities, Charles University, Prague] **[Master degree in social and cultural ecology]** [2005-2009]

[Master thesis *Biophilia: Way to E. O. Wilson. Sociobiological basis of values of nature and its possible impact on nature protection*; hermeneutic analysis of biophilia hypothesis in the light of life and work of American evolutionary ecologist and sociobiologist Edward O. Wilson and the development of American environmental movement and later environmental psychology]

[Faculty of biological sciences, University of South Bohemia, České Budějovice] **[Master degree in botany]** [1999-2005]

[Master thesis *Phenotypic plasticity of variously invasive Oenothera species. Eco-physiology of the germination*]

[Bachelor thesis *Phenotypic plasticity of variously invasive Oenothera species with special emphasis on their seedlings traits*]

OTHER EDUCATION AND TRAINING

[University of Trieste, Gorizia, Italy] [DIANET International School on the sustainable Future of the Danube Region, 22. – 31. 3. 2014] [2014]

[Roskilde university] [Ph.D. workshop *Integration of historic research in Interdisciplinary environmental and resource management: How past experience can help mould future solutions*, 2. - 3. 8. 2009, Copenhagen, Denmark] [2009]

[ASCA, Brno] [course *Project management* based on certified methodology of IPMA (*International Project Manager Association*)] [2009]

[Neziskovky.cz, Prague] [course *Marketing in social services*] [2007]

[Department of Botany, Utrecht University, the Netherlands] [course *Conservation biology and restoration ecology*] [2000]

SELECTED PROJECTS AND SCHOLARSHIPS

- VISEGRAD scholarship, project *Indetifying traces of traditional management in current landscape* at Technical University in Zvolen, Slovakia [2015]
- PRVOUK at Faculty of Humanitites, Charles University in Prague [2014, 2015]
- AKTION, scholarship at University of Klagenfurt, Institute for social ecology in Vienna [2015]
- GAUK, project *Interdisciplinary research of landscape memory* (Charles University in Prague) [2009-2010]

SELECTED PUBLICATIONS

- Book chapter **Krčmářová J. and Arnold M.** (2016) Traditional agriculture as cultural heritage. Forgotten agroforestry practices recorded in textual part of 19th century tax records. In Agnoletti M., Emanuelli F. (Eds.) *Biocultural diversity in Europe*, Springer Verlag, Environmental history series. 2016
- Chapter **Krčmářová J., Kopliku B., Penev P., Skoric M.** (2015) Danube Youth-Danube Future. Proceedings from the DIANET International School on the sustainable Future of the Danube Region, March 22nd – 31st March 2014, Gorizia, Italy. 2015
- Article **Krčmářová J.** (2011) The third mission of higher education institutions. Conceptual framework and application in the Czech Republic. *European Journal of Higher Education* 1 (4). Pp. 315-331. 2011
- Article **Krčmářová J.** (2010) Dvě cesty ke třetí roli vysokých škol. Srovnání konceptualizace OECD a UNESCO. In *AULA*, roč. 18, č. 4, s. 17-29. [*Two ways to the third mission of higher education institutions. Comparative study of OECD and UNESCO conceptualisations*] 2010
- Article **Krčmářová J.** (2009) Tržní transformace vysokoškolských institucí: různé teoretické konceptualizace. *AULA*, roč. 17, č. 3, s. 47–54. [*Market transformation of higher education institutions: Different theoretical concepts*] 2009
- Article **Krčmářová J.** (2009) E. O. Wilson's Concept of Biophilia and the Environmental Movement in the USA. In: *Klaudyán*, 6, no. 1–2, pp 4–17. 2009
- Article **Krčmářová J.** (2009) Hypotéza biofilie Edwarda O. Wilsona. In *Envigogika*, roč. IV, č. 3. [*Biophilia hypothesis of E. O. Wilson*] 2009
- Article **Krčmářová J.** (2007) Cesty zboží jsou nevyzpytatelné. *Ekologie a společnost* 4: 15-16 [*Unfathomable ways of goods*] 2007

ACADEMIC PRESENTATIONS

- Poster **Krčmářová J.** Legacies of traditional tree use in mountain agriculture. Methodology for identifying working trees. Wild thing ?? Conference organized by Sheffield Hallam University on 9. 9. - 11. 9. 2015 in Sheffield, United Kingdom [2015]
- Presentation **Krčmářová J.:** Forgetting and remembering of agroforestry in Czech Republic. PECSRLThe Permanent European Conference for the Study of the Rural Landscape, 8th-12th September 2014, Gothenburg and Mariestad, Sweden. [2014]
- Presentation **Krčmářová J.:** Zapomínání a rekonstrukce historie českého lesozemědělství. 23. sjezd České geografické společnosti, 16. kongres Slovenskej geografickej spoločnosti, „Geografie v srdci Evropy“, 25. – 28. 8. 2014, Prague (23rd congress of Czech geographic society, 16th congress of Slovakian geographic society: *Geography in the heart of Europe*) [2014]
- Presentation **Krčmářová J.:** Traditional agriculture as cultural heritage. Forgotten agroforestry practices recorded in textual part of 19th century tax records. 1st European Conference for the Implementation of the UNESCO-SCBD Joint Programme on Biological and Cultural Diversity, 8-11 April 2014, Florence, Italy [2014]
- Poster **Krčmářová J.:** Traditional Agriculture as Cultural Heritage trees in 19th Century Agriculture. Praha: Faculty of natural sciences, Charles University in Prague, Exhibition Land use. [2013]
- Poster **Krčmářová J. and Jeleček L.:** Traditional agriculture as cultural heritage. Trees in 19th century agriculture. Historical Geographers in Czechia: Themes and Concepts, Faculty of natural sciences, Charles university in Prague, 6. 8. - 21. 9. 2012. [2012]
- Poster **Krčmářová J.:** Trees in landscape memory. 1st World Congress on Environmental History (WCEH), Copenhagen, Denmark, 4. - 8. 8. 2009 [2009]
- Paper **Krčmářová J.:** Paměť krajiny a nelesní dřevinná zeleň. [*Landscape memory and nonforestal trees*] Seminar of regional historians, Deštné v Orlických horách, Czech republic, 24. - 25. 4 2009 [2008]
- Poster **Krčmářová J.:** Trees in landscape memory. Conference Living landscape: memory, transformation and future scenarios, Ústí nad Labem, Czech Republic, 10. - 11. 10. 2008 [2008]
- PEDAGOGICAL EXPERIENCE** [Faculty of Humanities, Charles University in Prague]
- Interdisciplinary field workshop in environmental history**, Centre of experimental archaeology and ecology education Villa Nova, Velký Uhřínov in Orlice Mountains [2011]
- Course **Environmental history** [2009/2010]

Course **Introduction to biology**

[2006/2007]
and
[2007/2008]

WORK EXPERIENCE

[British Council, Prague] [Projects and partnerships assistant; supervisor of Cambridge and ACCA exams; lecturer or environmental education]

[4/2013- now]

[Centre for higher education studies, public research institution, Prague] [Junior researcher and journal editor]

[9/2008 -10/
2012]

[Green circle, association of Czech environmental nongovernmental organisations, Prague] [Information centre and public relations coordinator; designer of www.hraozemi.cz website and promoter of ecological footprint concept]

[2/2007-
7/2008]
